

Western WA MOUD Walk-in Clinics

Medications to treat Opioid Use Disorder are the most effective tool in helping people stabilize, get healthy, and achieve success. Medications for opioid use disorder treat the cravings of opioid withdrawal. This list comprises walk-in appointments that offer rapid access, same day on site inductions of buprenorphine. For a complete list of all locations that provide these medications go to <https://www.warecoveryhelpline.org/moud-locator/> and click on the MOUD Provider Finder.

The following locations are available for drop-in appointments:
